Source, Operational Data, and Comments:

1. The attached information concerning the North Caucasians who entered Jordan in 1947 and 1948 was obtained from NOSTRIL. NOSTRIL, as you recall, is a member of the Abadzak tribe of Circassians. The other tribes are Kabardine, Bjedukh, Shapsugh (including Wubikh) and Abadza.
2. As shown, individuals No.1 through No.39 (with the exception of Nos. 25 and 38), are members of the Abadzak tribe. Source is in a position to supply us with much additional detail concerning this group as he has known them personally in the USSR, Europe, and 'Amman.
3. The information on the Kabardines listed in numbers 40 through 143 was derived from Source's personal records. Source has known the individuals in that group since 1942 in Germany.
4. Efforts are being made to obtain the names of the remaining members of the original group of 183 Circassians who came to Jordan during 1947-1948.
